## OFFICIAL

**ATTENTION KSC FEDERAL EMPLOYEES ENROLLED IN BC&BS:** Anyone enrolled in BC&BS at present (whether High or Standard Option—self or family) will automatically be enrolled in BC&BS Standard Option (self or family) next year unless they make a change (hopefully utilizing Employee Express, [www.employeeexpress.gov](http://www.employeeexpress.gov)). (BA-B)

**ATTENTION FEDERAL EMPLOYEES:** Representatives from Government Employees Health Assoc. (GEHA) in conjunction with this year's FEHB Open Season. They will be at KSC Friday, November 30 in the HQ Building, Room 2531 from 9 a.m. to 3 p.m. If you are about to lose your carrier or are just interested in finding out about another carrier product, please make it a point to visit. (BA-B)

**ATTENTION FEDERAL EMPLOYEES:** Don't forget, FEHB (Federal Employees Health Benefits) Open Season lasts until December 10. If you are "losing" your plan because they have withdrawn, it is imperative that you make a new choice for FEHB coverage or you will have no health carrier for 2002. (BA-B)

**EMPLOYEE EXPRESS:** Employees are reminded to utilize EE for making both FEHB Open Season elections and TSP % increases in payroll deductions. Weekly electronic reports are forwarded to Health Carriers in an effort to ensure you receive your "new" carrier cards ASAP. Remember to print your confirmation letters/notifications and keep them in a safe place. If you have any problems with Employee Express, you may call Kathy McIntosh at 867-2405 or stop by to see her in Headquarters Building, Room 2515, or email her at [kathy.mcintosh-1@ksc.nasa.gov](mailto:kathy.mcintosh-1@ksc.nasa.gov). (BA-B)

**ATTENTION NASA KSC FEDERAL EMPLOYEES:** Help has arrived! NASA Headquarters has purchased a computerized program which will aid you in deciding which FEHB Plan best suits you and/or your family's needs—you may access this site only from KSC internal home pages. The address is <http://ba.ksc.nasa.gov/benchkbk.htm>. Once you have tried this product, we would appreciate any comments you have regarding this service—good or bad!—so please let us know your opinion. You may send your comments to: [kathy.mcintosh-1@ksc.nasa.gov](mailto:kathy.mcintosh-1@ksc.nasa.gov) or fax them to 867-8135. (BA-B)

**NEW AGENCYWIDE STANDARDS UPDATE NOTIFICATION SYSTEM:** The NASA Technical Standards Program Office announces the availability of its Agencywide Standards Update Notification System (SUNS). This System will provide NASA staff and its supporting contractors with Web access to make specific requests for update notifications on technical standards in use. The System will automatically notify individuals of updates (revisions, cancellations, superseded documents, etc.) to Technical Standards Products for which notifications are requested. SUNS is integrated with the Agencywide Full-Text Technical Standards System for updated Standards Product acquisition. Anyone within the domain can access either System at the NASA Technical Standards Program Website: <http://standards.nasa.gov>. If you have any questions regarding the SUNS, please contact Brenda Bailey at (256) 544-1889, [brenda.bailey@msfc.nasa.gov](mailto:brenda.bailey@msfc.nasa.gov). The NASA Technical Standards Program is sponsored by the NASA Chief Engineer, and Larry Schultz, here at KSC, is a member of the Program's Engineering Standards Steering Council. The goal of the NASA Technical Standards Program is to provide a "One-Stop Shop" for Technical Standards and related information needed by the Agency's staff and contractors in support of NASA Program's and Project's research, development, and operations activities. (TA-E1)

**KSC FEDERAL EMPLOYEES—LEAVE TRANSFER RECIPIENTS:** If you are interested in donating leave transfer to a fellow KSC employee, it's been made easy for you to do. You will find a list of members along with a link to KSC Electronic Form on line at the KSC Internal Home Page <http://ba.ksc.nasa.gov/beneltp.htm>. Forms to donate are at this same site—whether the recipient is a NASA employee or employed by another agency. If you have not been to the benefits home page, we recommend you bookmark <http://ba.ksc.nasa.gov/babbenef.htm>—you'd be surprised what we have out there for you—all within a fingertip! (BA-B)

**NUTRITION TIP OF THE WEEK FROM THE KSC FITNESS CENTERS:** According to the American College of Sports Medicine's Health and Fitness Journal, tea can be soothing and healthy. Tea was actually drunk in China as early as the 3rd century for its medicinal properties. So why is tea, especially green tea, considered so soothing and healthy? Scientific research indicates that green tea contains cancer-thwarting anti-oxidants and lowers blood cholesterol. Tea also contains a small amount of tannic acid which is an anti-bacterial. Caffeine levels in a cup of green tea are also less than half that of a cup of coffee. To learn more information on teas, check out the Republic of Tea at <http://www.republicoftea.com>. (TA-C2)
